Important Information

This notice covers property taxes and non-ad valorem assessments for the calendar year shown (the "**Tax Year**")

- If you **no longer own this property:**
  - ⇒ For **real estate,** please forward this notice to the new owner at the taxed property's address.
  - ⇒ For **tangible personal property,** if you were the owner on January 1 of the Tax Year, you are responsible for the tax. If you sold the property before January 1 of the Tax Year, please notify us immediately with the new owner's name and address.

- **Discounts** for early payment have already been deducted on the bill, and are determined by the **date paid online, paid in-person, postmarked, or placed in a 24-hour drop box by 11:59pm ET.** However, if the discount deadline falls on the weekend or a legal holiday (recognized by the laws of Florida or the United States), the discount is extended to the next working day so you can still deliver a timely payment **online or in-person**. A partial payment* is not eligible for any applicable discount. If the postmark indicates your payment was mailed on or after April 1 of the year after the Tax Year, the amount due, including delinquent charges, is determined by the date your full payment is **received by the Tax Collector.** Discounts:

November = 4%	December = 3%	January = 2%	February = 1%	March = 0% (No discount)	April = Delinquent

- Taxes and assessments are **due November 1** of the Tax Year and become **delinquent April 1** of the next year, at which time the law imposes the following delinquent charges:
  - ⇒ **Real Estate:** A 3% interest charge is imposed on April 1, and an advertising fee is added during May. **Tax Certificates** will be sold on all unpaid accounts on June 1 of the year after the Tax Year, resulting in additional interest (up to 18% per year) and fees.
  - ⇒ **Tangible Personal Property:** Interest accrues at 1.5% per month (18% per year) plus advertising, collection, and court fees. **Tax Warrants** will be issued on all unpaid personal property taxes.

- **Questions or problems** (see the other side for contact information):
  - ⇒ **Tax Collector:** Responsible for preparation, mailing, and collection of tax bills based on information contained on the current tax roll certified by the Property Appraiser and non-ad valorem assessments provided by the levying authorities.
  - ⇒ **Property Appraiser:** Responsible for assessed values, exemptions, taxable values, assessed owner(s) name and address, address changes, and legal property descriptions.
  - ⇒ **Taxing Authorities:** Responsible for setting ad valorem millage rates.
  - ⇒ **Levying Authorities:** Responsible for setting non-ad valorem assessments.

Application for Partial Payment for Current Year Taxes Only

- This application for partial payment applies only to the specific account on the other side of this notice.
- The term "partial payment" means a payment that is less than the full amount of taxes due.
- A partial payment* is not eligible for any applicable discount set forth above.

  *If multiple partial payments (from any months) total the full amount due for the current discount period, then the date of the final partial payment will determine both the "full payment" date and the discount period applied to the account.
- A partial payment will be distributed in equal proportion to all taxing districts and levying authorities applicable to that account.
- You may make as many partial payments as needed, for any amount; however, **taxes must be paid in full by March 31 of the year after the Tax Year,** or a Tax Certificate will be sold for the remaining, unpaid amount; **no partial payments after March 31.**

Taxpayer acknowledgement: By signing this application, I understand and agree to the above partial payment requirements.
